"I bet I'd learn to play piano better if the keys came in more colors than black and white."

What Musical instrument goes with cheese?

Piccolo

Why did the musician get a time out?

He got into treble

What did A and B buy in the store?

A CD

Why was the guitar mad?

He was tired of being picked on

Practice a New Practicing Habit

- Play slowly, stopping whenever you are uncertain and avoid making any mistakes
- Repetition is the path to success. Repeat a set number of times without mistakes.
- Stick to the same practice time every day of the week
- Don't practice for too long! But practice 2-3 times a day instead.
- Practice in slow motion, attempting not to stop, imagining you are creating the background music to a silent movie.

Students of the Month:

Emily Pletcher

NOVEMBER

Emily had practiced more than 850 minutes in the month of November, more than anyone else in the studio.

Megan Krueckeberg

DECEMBER

Megan had recorded the most songs in the year 2015. This is her second consecutive year to do so!

WINTER BIRTHDAYS:

Lindsay Vrobel

Alex Neuffer
