Spring 2016

## APRIL 23RD PIANO RECITAL

Ji-Eun Lee Music Academy - 11:15am

Practice!!! Practice!!! Practice!!!

Get plenty of rest!

Warm up through your performance pieces at home, playing them **slowly** just a few times.

Do not practice vigorously or in tempo. Save the performance energy for the stage.

Arrive to the hall 10 -15 minutes earlier. Find a seat in the front of the hall reserved just for the performers.

Enjoy the moment and the reward of the hard work!!!

BRING YOUR FAVORITE SNACK TO SHARE AFTERWARDS

## Congratulations

*Jessica Churchill*

Congratulations to Jessica Churchill, who learned 15 scales/cadences/arpeggios in the last month of the contest, once her mom permitted her to practice the technique to acquire such sugar laden basket!

Second place with 13 went to Katie Hur and Gabriella Delgado. Congratulations, girls!
